Has any member of your consortium published any article or paper in 2012 or do you want to give more information this year on a publication that has not been validated last years?: Yes [Y]

How many publications would you like to report or update ?: 9

Publication n°1

Is this a publication that was published in 2012 or a publication that was reported before but not yet validated and for which an update is required?: Previously reported but not validated [Q1612]

Could you provide the ID of reported publication?: 13989

What is the DOI code of the publication (if no DOI, please leave blank)?:

10.1007/978-3-642-32495-6\_5

What type of publication is it?: Article [Q251]

What is the title of the publication?: Certifying and reasoning on cost annotations of functional programs

What is the date of the publication?:

Publication n°2

Is this a publication that was published in 2012 or a publication that was reported before but not yet validated and for which an update is required?: Published in 2012 [Q1621]

What is the DOI code of the publication (if no DOI, please leave blank)?:

10.1007/978-3-642-32469-7\_3

What type of publication is it?: Article [Q251]

What is the title of the publication?: Certifying and Reasoning on Cost Annotations in C Programs

What is the date of the publication?:

Publication n°3

Is this a publication that was published in 2012 or a publication that was reported before but not yet validated and for which an update is required?: Published in 2012 [Q1681]

What is the DOI code of the publication (if no DOI, please leave blank)?:

10.1007/978-3-642-35308-6\_19

What type of publication is it?: Article [Q371]

---

What is the title of the publication?: Rating disambiguation errors

What is the date of the publication?:

Publication n°4

Is this a publication that was published in 2012 or a publication that was reported before but not yet validated and for which an update is required?: Published in 2012 [Q1691]

What is the DOI code of the publication (if no DOI, please leave blank)?:

10.1007/978-3-642-34281-3\_14

What type of publication is it?: Article [Q421]

What is the title of the publication?: Separation Predicates: A Taste of Separation Logic in First-Order Logic

What is the date of the publication?:

Publication n°5

Is this a publication that was published in 2012 or a publication that was reported before but not yet validated and for which an update is required?: Published in 2012 [Q1701]

What is the DOI code of the publication (if no DOI, please leave blank)?:

10.1007/978-3-642-31374-5\_28

What type of publication is it?: Article [Q471]

What is the publication title?: A Web interface for Matita

What is the date of the publication?:

Publication n°6

Is this a publication that was published in 2012 or a publication that was reported before but not yet validated and for which an update is required?: Published in 2012 [Q1711]

What is the DOI code of the publication (if no DOI, please leave blank)?:

10.1007/978-3-642-35182-2\_19

What type of publication is it?: Article [Q521]

What is the title of the publication?: Indexed Realizability for Bounded-Time Programming with References and Type Fixpoints

What is the date of the publication?:

Publication n°7

Is this a publication that was published in 2012 or a publication that was reported before but not yet validated and for which an update is required?: Published in 2012 [Q1721]

What is the DOI code of the publication (if no DOI, please leave blank)?:

10.1145/2370776.2370785

What type of publication is it?: Article [Q571]

What is the title of the publication?: A polynomial time  $\lambda$ -calculus with multithreading and side effects

What is the date of the publication?:

---

Publication n°8

Is this a publication that was published in 2012 or a publication that was reported before but not yet validated and for which an update is required?: Published in 2012 [Q1731]

What is the DOI code of the publication (if no DOI, please leave blank)?:

10.1007/978-3-642-35308-6\_8

What type of publication is it?: Article [Q621]

What is the title of the publication?: An executable semantics for CompCert C

What is the date of the publication?:

Publication n°9

Is this a publication that was published in 2012 or a publication that was reported before but not yet validated and for which an update is required?: Published in 2012 [Q1741]

What is the DOI code of the publication (if no DOI, please leave blank)?:

10.1007/978-3-642-35308-6\_7

What type of publication is it?: Article [Q671]

What is the title of the publication?: On the Correctness of an Optimising Assembler for the Intel MCS-51 Microprocessor

What is the date of the publication?:

Comments

Do you have any comment or feedback to give on this questionnaire?:

Help us improve our analysis and measurement

If you deal with DG Connect on a regular basis, or are interested in how we measure our performance as a public service, you can give us your views by responding to our metrics questionnaire. By doing so, you will help us to check the evidence on which we base our priority actions in 2013 and beyond. Are you interested to respond to our metrics questionnaire?: No [N]
